For university, school, work or your next trip, the Bobby Soft Backpack is ready!
The iconic Bobby anti-theft design with hidden and RFID protected pockets, no front access and hidden zippers is now complemented with a safe zipper puller on the main compartment to keep your belongings even more secure.
The spacious interior is convenient and versatile. In the main compartment, you can easily organize your gear with a padded laptop compartment, notebook pocket, smart small pockets and a keychain clip. The top of the backpack is expandable giving additional space to store clothes, books or anything you need for your everyday use.
This backpack is also equipped with an integrated USB charging port and made from water repellent material making it very functional. Made from recycled materials - reusing 37 wasted plastic bottles and saving 22 L of water on every Bobby Soft Backpack.
A soft backpack to fit every style. Registered design®
